Dear Sir/Mam

I am pleased to extend an invitation to your esteemed institution to join us in celebrating National Youth Day on 12th January 2024.

The purpose of this correspondence is to collaborate under a Memorandum of Understanding (MoU) to enhance the engagement of our respective students in the festivities

We believe that by bringing together the talents and perspectives of students from various institutions, we can create a more enriching and impactful celebration.

This partnership will provide a broader and more diverse experience for the students, promoting cultural exchange, leadership development, and community engagement.
