Arya Kanya Mahavidyalaya, Shahabad Markanda is a premier, multi-facility, P.G. Girls College of Haryana. It owes its inception in July 1968 to the philanthropic zeal of the illustrious founder members of the Prabandhak Samiti who were inspired by the teachings of Swami Dayanand, the founder of Arya Samaj. In 2023, the college completed 55 glorious years of service to society. Aim of establishing this college was to make an easy access to higher education for girls of Shahabad and its adjoining villages in Haryana and of other states. The college is situated on Delhi-Chandigarh/Amritsar G.T. Road, between Pipli and Ambala Cantt. It is well connected with rail and road transport. Started as an Arts college, AKMV has now been transformed into a multi faculty Post Graduate College which has rendered meritorious service to the society in the field of women education. Now it is providing a healthy milieu for learning as it has carved a niche for itself in the competitive educational arena.

Our mission is to provide quality education to women from all strata of society and equip them with up to date knowledge of all fields. Our objective is to enthuse among the students the ideas of Indian Vedic Culture, to empower them and to prepare them to face the competitive world with courage, conviction and determination. It ensures social parity and gender sensitivity. The laurels achieved by our students in the field of academics, sports, cultural and co-curricular activities have brought this institution at par with the best Girls Colleges of Haryana.

The program was divided into five sessions including Inauguration and Valedictory Sessions. The inaugural session started with the lamp lightning followed by Saraswati vandana. In the inaugural session, the chief guest, Dr. Prof. Rana Nayar (Retd. Professor, Deptt. of English and Cultural Studies), Punjab University, Chandigarh, Guest of Honour, Prof. S. K. Tripathi, (Deptt. of Physics), Punjab University, Chandigarh and Keynote Speaker Prof. Vinod Kumar Garg (Center for Environmental Science and Technology), Central University of Punjab, Bhatinda, Punjab were given formal welcome by the College Principal, Dr. (Mrs.) Aarti Trehan. Dr. (Mrs.) Aarti Trehan, Principal , AKMV, welcomed the Chief Guest, Guest of Honour, Keynote Speaker, Resource Persons, delegates and students from different colleges, universities, institutes and organizations from not only India but other part of the countries. Dr. Priyanka Singh, Convener of the conference presented the theme of the conference. She said that major issues that stare in the eye of the human world are environment degradation, climate change, pollution, resource depletion and groundwater depletion to mention a few of many interrelated concerns. These issues are multifaceted and call each one of us for simultaneous deliberation and action, Ecology is a multifaceted and multidisciplinary subject and sustenance of ecology would require participation from all the disciplines from science and technology, arts and humanities, commerce and management to maintain ecological balance and sustainable development on a global scale. There are a number of challenges before us which need to be overcome. The Chief Guest, Dr. Prof. Rana Nayar, in his inaugural address said that this conference will prove to be a milestone for sustainable development. He said that there is a close relationship between ecology and literature. Ecology empowers the environment and is critical to human prosperity and well-being. It offers an innovative approach to the interconnectivity between humans and nature, crucial to food, security, clean air and water and conservation sustainability in a changing world. The Guest of Honour, Prof. S. K. Tripathi expressed his views on the use of lithium recently. He said that lithium-ion batteries can store energy from Renewable resources such as solar, wind, tidal currents, bio-fuels, electric cars, mobile batteries and hydropower. It has the potential to do a lot of good, and we hope that with the increased demand, innovations will be made to make the process better for the green environment. Prof. Vinod Kumar Garg, the Keynote Speaker of the Inaugural Session, highlighted his views on ecology and sustainable development. He said environmental sustainability is the need of the hour and responsibility of each and every citizen. It is the ability to maintain an ecological balance in our planets natural environment and conserve natural resources to support the well-being of current and future generations.

First Plenary Session started along with parallel working tea. The session was coordinated by Mrs. Rajinder Kaur and the Plenary Speakers were Prof. K. P. Singh (Deptt. of Library and Information Science), University of Delhi, New Delhi, Dr. Ramesh Prasad Sapkota (Central Department of Environmental Science), Tribhuvan University, Kathmandu, Nepal and Dr. Virender Singh Dhillon, Associate Professor, Maharaja Agrasen College, Jagadhri. Plenary Speaker-I, Dr. K. P. Singh emphasized on green library and said that green and sustainable library takes into an account environmental, economic and social sustainability in the present scenario where environment is degraded and polluted day by day. Dr. Ramesh Prasad Sapkota, Plenary Speaker-2 presented his novel views on environmental sustainability which is important to preserve resources like clean air, water and wildlife for future generations. He said that future progress and quality of life depends on the quality of the environment. Dr. Virender Singh Dhillon, Plenary Speaker-3 expressed his views on exploitation of ecology by use of technology in historical context. He said that constant development in technology has damaged our natural resources in many ways. History witnesses that technology led to the invention of industries that emit harmful gases into the atmosphere.

Parallel Technical Presentation Sessions were arranged in 09 parallel presentation tracks in which 176 individual and joint presentations were made. Each parallel track concluded with the remarks and Session Chair and Resource Person's Technical presentation.
