## ABOUT THE COLLEGE

Arya Kanya Mahavidyalya, Shahabad Markanda is a premier, multi-faculty, P.G. girls College of Haryana. It owes its inception in July 1968 to the philanthropic zeal of the illustrious founder members of the Prabandhak Samiti who were inspired by the teachings of Swami Dayanand, the founder of Arya Samaj. The aim of establishing of this college was to make an easy access to higher education for the girls of Shahabad and its adjoining villages of Haryana and other states. The college is situated on Delhi-Chandigarh / Amritsar G.T. Road, between Pipli and Ambala Cantt. It is well connected with rail and road transport. Started as an Arts college, now it has developed into a multi faculty Post Graduate College which has rendered meritorious service to the society in the field of women education. Now it is providing a healthy milieu for learning as it has carved a niche for itself in the competitive educational market. In addition to the traditional courses in Humanities, Science and Commerce, it provides education in job oriented and professional courses i.e. BCA, B.Sc. (Comp. Sc.), B.Sc.-Fashion Designing, B.Com.(Comp. App. (V)), Commercial Art and PGDCA. The College also takes pride in running Post Graduate Courses in Fine Arts, Hindi and Commerce.

## SEMINAR OBJECTIVES

- To foster inter-disciplinary dialogue among scholars, practitioners, and students across various fields such as literature, philosophy, science, economics, and culture, enhancing understanding of Indian Knowledge Systems.
- To examine how traditional Indian knowledge can inform and enrich contemporary practices in various domains, including healthcare, education, and environmental sustainability.
- To explore the role of literature and cultural narratives in preserving Indian heritage while encouraging innovation and adaptation to modern contexts.
- To discuss the integration of Indian Knowledge Systems into modern educational curricula, emphasizing holistic and experiential learning approaches.
- To facilitate discussions on the global impact of Indian Knowledge Systems and their contributions to international dialogues on culture, philosophy, and sustainable development.
- To provide a platform for researchers, practitioners, and educators to network, collaborate, and share insights, fostering future research and initiatives related to Indian Knowledge Systems.

## ABOUT THE SEMINAR

Indian knowledge system is a rich and diverse collection of Knowledge, beliefs and practices developed the over thousands of years in the Indian subcontinent. It is rooted in the ancient texts of Vedas, Upanishads and Purans, and has evolved through the contributions of Various civilizations and cultures. It is a holistic approach towards life. It acknowledges the inter connectedness of all aspects of existence - from individual to society, from human beings to nature, and from physical to the Spiritual. It also highlights the value of oral tradition, with knowledge being passed down through storytelling, discussions and debates. It has played a crucial role in shaping the Indian way of life, promoting harmony and balance, and instilling a deep sense of spirituality and community. Its influence is still visible in day to day India making it a crucial aspect of the country's identity and heritage.

Despite the influence of modernization, the Indian Knowledge System continues to be a vital part of Indian Society and serves as a source of evidence and inspiration for individuals and communities. Its teaching on compassion, unanimity and justice have shaped Indian culture and continue to influence the global community. Recently, in G-20 Summit, India's focus on climate change, with a particular emphasis on climate finance and technology, as well as ensuring just energy transitions for developing countries, which promotes environmentally - conscious practices and is based on India's sustainable traditions.

In the thick of philosophical insights, scientific advancements and spiritual practices, the Indian Knowledge System has made significant contributions to humanity, making it a valuable and timeless legacy for generations to come.
