About the College

Arya Kanya Mahavidyalaya Shahabad Markanda is a premier multi-faculty P.G. Girls College of Haryana. It owes its inception in July 1968 to the philanthropic zeal of the illustrious founder members of the Prabhudhak Samiti who were inspired by the teachings of Swami Dayanand, the founder of Arya Samaj. The college is situated on Delhi-Chandigarh/Ambikar G.T. Road, between Pipil and Ambala Cantt. Since its inception, the college has a proud history of innumerable achievements. Along with excellent academic ambience, our college excels in co-curricular activities. The college has implemented NEP 2020 in undergraduate programmes from the session 2023-24. In addition to the traditional courses in Humanities, Science, and Commerce, it provides education in job-oriented and professional courses i.e. B.Com., B.Sc. (Comp. Sc.), B.Sc.-Fashion Designing, B.Com. (Comp. App. (V)), Commercial Art, Post Graduate Program in Fine Arts, Hindi, M.Com. and Add-on Courses viz. Web Designing & Office Automation, Office Management, Fashion Designing, Audio-Video Sound Recording, E-Governance, Textile Designing, Accounting Practice, Computer Animation, Mass Communication and Functional English. The college also takes pride in running one MCC and two NSS units, various Value Added and Skill Enhancement courses, and follows best practice in women empowerment and environment consciousness.

About the Seminar

Entrepreneurship is a major area of focus today as it's a key driver of economic growth and societal development. Despite the development of a healthy ecosystem and proactive initiatives taken by the government in the last few years, the dynamic business environment poses complexities and challenges to a great extent. The proposed seminar aims to enhance participant's understanding of entrepreneurship skills and their applications as well as seeks to empower the participants with the knowledge, tools, and connections necessary to thrive in today's rapidly changing business scenario. The seminar seeks to foster entrepreneurial aptitude among the students and faculty to develop an orientation toward innovation, collaboration, and sustainable growth within the entrepreneurial ecosystem. The primary objective of the seminar is to provide a platform for potential entrepreneurs, industry experts, academicians, and students to exchange and explore ideas, insights, and best practices related to entrepreneurship and skill development in the contemporary business environment to navigate the strategies for sustainability in the digital and global business age.

Objectives of the Seminar

- To explore the key challenges and opportunities faced by entrepreneurs in modern business landscape.
- To discuss the latest trends and techniques/technologies impacting entrepreneurship.
- To foster a supportive and collaborative environment for participants to share ideas, to think creatively and innovatively.
- To discuss sustainable business practices and their impact on entrepreneurial ventures.
- To navigate innovative strategies for fostering entrepreneurship in the digital age.
