

## MOOC PLANNER - 2022-23

In line with the objective of the Swayam-MOOC Cell the activities for the session shall be:

1. To identify students and teachers for enrolment in MOOC's.
2. To identify and prepare a select list of MOOC's for circulation among students and teachers of all branches.
3. To mentor identified students and teachers for registration in MOOC of their choice.
4. To arrange an expert lecture/workshop to familiarize the students with online learning courses, platforms that they are available for academic enrichment.
5. To arrange an Outreach Programme.
6. To enrol students in a certificate course on environment sustainability.
